Dear Candice, Samuele, and Tropical Experience Travel Services,

Thank you so much for your donation of 18,000 PHP towards our Student Education Program, received on November 9, 2017. Your generous support is much appreciated!

Just to let you know, we've been thrilled to be able to officially open a new building last Saturday. This Preschool and Learning Center is just across the road from a giant slum community called 'Temporary Housing' – part of the Smokey Mountain area - where many of the Young Focus beneficiaries live.

Besides being a preschool for around 400 little ones, on weekdays this new building is also where Alternative Learning System students receive high school lessons. On Saturdays the classrooms hold tutorials for sponsored students and training sessions for the parents.

Please have a look at our Facebook page for pictures and more information: <https://www.facebook.com/youngfocus.org>

Many thanks again for your support! It's partnerships with people like you that makes our work with the families here possible!

Warmest greetings on behalf of the Young Focus team,

Ann van Wijgerden
